MISSISSIPPI VALLEY LIBRARY DISTRICT POLICY MANUAL

The Policy Manual is currently under review by the Board of Trustees. A new Table of Contents will be created once all revisions/edits/corrections are complete.

[Section 1 reserved]

2. Collection Development

2.1 Materials Selection Policy

The selection of any material or electronic resource for the collection of the Mississippi Valley Library District (hereafter "Library") does not constitute an endorsement of its contents. The Library recognizes that many materials and electronic resources are controversial and that any given item may offend some patrons. Decisions are not made on the basis of any anticipated approval or disapproval, but solely on the merits of the work in relation to the building of the collection and to serving the interests of patrons. The Mississippi Valley Library District Board of Trustees endorses the American Library Association's [Library Bill of Rights, with interpretations](#), and incorporates it as part of this policy.

Reviewed and Approved, 9/18/2017

2.2 Gifts and Memorials

The Library will encourage and accept gifts with the understanding that gift materials will be added to the collection only if they meet the same standard required of purchased materials. Gift materials not meeting those standards, those that are out-of-date, unneeded duplicates of items already owned, or those in a format unsuitable for library use may be given to other organizations, sold, exchanged, or recycled.

Funds for the purchase of memorials are accepted. The responsibility for selection of memorials rests with staff following consultation with the donor on appropriate subjects. A memorial bookplate is placed in each item. Acknowledgment is made to the donor; immediate family will be notified of the gift at the donor's request only.

Reviewed and Approved, 9/18/2017

2.3 Materials Withdrawal Policy

Book withdrawal is an important aspect for collection development. When library books lose the value for which they were originally selected, they should be withdrawn so that the collection remains vital and useful. The withdrawal of books is based on the following guidelines:

- To remove physically worn out or damaged volumes.
- To eliminate books containing obsolete information.
- To remove duplicate copies of titles which have waned in popularity.
- To remove materials which have not been checked out for several years.

The Executive Director will make the final decision regarding the disposition of books withdrawn from the collection. Whenever gift or memorial materials are no longer needed, they will be disposed of in the same manner as materials purchased.

Reviewed and Approved, 9/18/2017

2.4 Challenged Materials

Challenged materials which meet the materials selection policy of the Library should not be removed under any legal or extra-legal pressure. Freedom of expression is protected by the Constitution of the United States, but constitutionally protected expression is often separated from unprotected expression only by a dim and uncertain line. The Constitution requires a procedure designed to focus searchingly on challenged expression before it can be suppressed. Therefore, any attempt, be it legal or extra-legal to regulate or suppress materials in libraries must be closely scrutinized to the end that protected expression is not abridged.

Materials will not be withdrawn from the collection because of pressure, verbal, written or otherwise, without the approval of the Board of Trustees. The party making the complaint must be a resident of the Mississippi Valley Library District. Under no circumstances will material be removed from the shelves until the Board so directs.

When any patron objects to the presence or absence of any Library material, the complaint will be reviewed by the Executive Director and the Board of Trustees. All complaints to staff members will be referred to the Executive Director who will discuss the matter with the complainant. If a patron objects to materials in our collection:

- Staff members should not engage in discussion about the appropriateness of any materials. Refer them to the Executive Director or Center Manager.
- Determine if the person is a resident within the Library District.
- Offer the form: "Request For Reconsideration Of Library Materials" (appended hereto).
- No form will be processed without it being filled out completely and signed by the complainant.
-

If there is a request for withdrawal of materials, it will be reviewed by the Executive Director and the Board of Trustees at their next regularly scheduled monthly meeting. A response in writing will be sent to the complainant within five (5) days after the board meeting stating the Board's decision on the "Request for Reconsideration of Library Materials."

5. SERVICES

5.1 Borrowing

5.1.1 General

The primary purpose of the Mississippi Valley Library District (hereafter “Library”) is to provide borrowing services to the residents within the Library District. In addition, these services are available, with special provisions, to nonresidents wishing to use them.

Account holders may check out as many books and magazines as desired. The checkout of other materials may be restricted based on overall collection size and demand for the materials.

Library accounts are nontransferable. Account holders are responsible for notifying the Library of lost/stolen cards and of changes to name, address, or contact information. Changes to name or address must be verified with current documentation.

Accounts for account holders living in the same household will be linked. If an account holder falls into delinquency as defined below, the account holder will have their access to Library services suspended pending the resolution of the delinquency. Accounts that are linked to the delinquent account may have their access to Library services suspended on a case-by-case basis.

All accounts and their corresponding cards issued by the Library remain the property of the Library and may be repossessed by the Library for violation of Library policies or in other instances as determined by the Library’s administration.

Reviewed and Approved, 11/20/2017

5.1.2 Application Requirements

All applicants must provide their name, address, telephone number, a secondary phone number and/or email address, date of birth, and any additional information as required by the SHARE library automation consortium. Proof of residency will be verified by the applicant providing a photo ID and documentation stating the applicant’s name and address. At least two documents verifying name and address must be presented; a photo ID with current name and address may be counted as one of the items.

Residents Age 18 or Over: Upon proper application, any resident age 18 or over shall be granted a Library account which entitles them to full use of Library services. Library accounts shall be valid for three years from the date of issuance, or until termination of residence in the district, whichever period is shorter.

Residents Under 18 Years of Age: Upon proper application, any resident under age 18 shall be granted a Library account which entitles them to full use of Library services. The signature of one parent or guardian is required on youth applications. Additionally, a parent or guardian must have a Library account in order for the Library to issue a youth account. The parent(s) or guardian(s) will be held accountable for the items checked out on the youth's account. Library accounts shall be valid for three years from the date of issuance, or until termination of residence in the district, whichever period is shorter.

Internet Only Accounts: Library District residents may receive an Internet Only account upon presentation of a current, valid photo ID. This account does not have an associated card and is valid for three years. The account allows the account holder to log on to and use the Library's public use computers, but offers no additional services.

Nonresident Borrowers: The Library offers services to nonresidents in compliance with 75 ILCS 16/30-55.60. "Nonresidents" are defined as individuals living in an area unserved by any public library. Upon proper application and payment of the nonresident fee, an individual may be issued a Library account which entitles the account holder use of Library facilities and services. Such accounts shall be valid for one year. Only one member of a household needs to pay the annual nonresident fee in order for other household members to receive Library accounts. The nonresident fee is determined annually by the Board of Trustees as outlined by state law and administrative rules. Nonresident fees are not refundable. Any Library policies pertaining to residents shall likewise apply to nonresidents.

Reciprocal Borrowers: "Reciprocal borrowing" means the privilege of a person holding a valid library registration card from a local library to borrow library materials from other libraries (75 ILCS 16/1-5). Libraries that participate in the SHARE library automation consortium have made their borrower records available to all SHARE members so that account holders may use their library cards anywhere in the consortium without additional registration needed. Mississippi Valley Library District account holders may request reciprocal borrowing privileges at non-SHARE Illinois libraries according to the libraries' local registration policies. Non-SHARE Illinois library account holders may also receive reciprocal borrowing privileges from the Library upon verification that their library account is in good standing and upon providing application information as outlined above for residents. Reciprocal borrowers may have limited access to certain services as determined by third-party service agreements.

Property and Business/Organization Owners: Property owner and business accounts shall be valid for one year. Property owners who present a current real estate tax bill or receipt for property owned within the Library District may receive a property owner account. Business/organization owners may receive a business account upon providing a current photo ID and two documents verifying the business/organization's residency. Only one card will be issued per business/organization.

Eligibility for Multiple Accounts: Although an individual may qualify for multiple public library accounts (example - lives in Maryville [resident account] and owns property in Collinsville [property owner account]), only one public library account in the SHARE library automation consortium will be granted.

Reviewed and Approved, 11/20/2017

5.1.3 Account Renewal

An expired account may be renewed at any time. The account holder must be present at the Library with a current photo ID to complete a renewal. If an account is no longer in the Library's database, or if the account holder has a change of name or address, the renewal will be treated as a new registration as outlined above.

Reviewed and Approved, 11/20/2017

5.1.4 Fines, Fees, Charges

Patrons with overdue items shall be charged an overdue fine at a rate determined by the Library Board of Trustees. The Library observes a two-day grace period before fines are charged.

The charge for lost or damaged items is the list price of the item, plus billing fee if applicable. Refunds for lost items only may be requested within 30 days and upon presentation of the payment receipt and the item in question, which must be in good condition and able to be added back into circulation. A billing fee is added to an account at the time that the account holder's unreturned items have progressed to the billing stage. Billing fees are nonrefundable.

Lost cards will be replaced upon request for a fee.

Staff members receive the employment benefit of being exempt from all overdue fees. This privilege does not extend to members of their families or households. Trustees are not eligible to be exempt from overdue fees as this is considered compensation and is not permitted under 75 ILCS 16/30-30.

Reviewed and Approved, 11/20/2017

5.1.5 Delinquency and Inactivity/Record Purging

A Library account becomes delinquent when outstanding charges total \$5.00 or more. Delinquent accounts will be suspended from Library privileges until the outstanding issues are resolved; accounts linked to delinquent accounts may be suspended on a case-by-case basis.

The Library issues a series of notices to patrons with overdue items in an attempt to have the items returned to the Library. If an item remains overdue three weeks past the due date, it will be billed to the borrower's account along with a billing fee.

The Library utilizes a collection agency for severely delinquent accounts. Accounts sent to collections have a minimum of \$75.00 in accumulated charges.

An inactive account is one that has expired and has had no activity on it after the expiration date. Accounts without any outstanding issues will be purged from the Library's database after two years of inactivity. Under special circumstances, an account may be deemed inactive and/or purged prior to the two-year timeline.

Reviewed and Approved, 11/20/2017

5.1.6 Confidentiality of Records

The Library abides by the Library Records Confidentiality Act, 75 ILCS 70/1, which provides that registration and circulation records are confidential. Registration records include any information a patron provides in order for that patron to become eligible to borrow Library materials. Circulation records include all information identifying the patron borrowing particular materials. The Library does not make available registration or circulation records to any party except in compliance with the law. The Library does not make available lists of registered library patrons except in compliance with the law. The Library will, however, identify for a parent or guardian materials checked out by a child for whom the parent or guardian is responsible.

5.4.1 General

Patrons using the Library's internet and computers are subject to all policies and procedures of the Library. The use of the Library's internet and computers is a privilege, not a right, and the Library reserves the right to limit, refuse, and/or ban individuals from using Library equipment and services. Patrons are not permitted to load personal software on Library equipment.

The Library provides printing services for a per-page fee. Patrons are responsible for previewing printed items and paying for all printouts. Earphones or earbuds are required for listening to audio on the computers; patrons may use their personal equipment for this purpose or purchase earbuds at a service desk. When a computer session ends, each computer restarts and wipes clean any files saved to the computer by its previous user. Flash drives are available for purchase at the service desks to save files before a session closes.

Library staff may provide assistance to patrons using Library computers and/or internet access as time and staff knowledge permit.

5.4.2 Eligibility

Computer and internet access are available for public use on a first-come, first serve basis. The service is available for all ages. Patrons must have a valid Library card or a card from another SHARE library in good standing to utilize this service. Anyone with a Library or SHARE account not in good standing will not be given computer or internet access until the account is in good standing. Anyone requesting use of a Library computer who does not have a Library or SHARE account and is not eligible to register at the Library may receive one guest pass per day for a fee. On a case-by-case basis free guest passes may be granted by a Center Manager or the Executive Director.

5.4.3 Acceptable Use

- Destruction of, damage to, or unauthorized alteration of the Library's computer equipment, software, or network security procedures
- Use of electronic information networks in any way which violates a federal or state law, including unauthorized copying or distribution of copyrighted materials
- Use of electronic information networks in any way that violates licensing and payment agreements between the Library and network/database providers

- The Library respects the confidentiality of records, electronic or otherwise, that identify individual users and link them to search strategies, sites accessed, or other specific data about the information they retrieved or sought to retrieve. The Library respects its patrons' privacy; however, it is unable to guarantee privacy in a public forum.
- Library patrons have the right to equitable access to electronic information networks.
- Library patrons have the right to access and read all Library service policies and discuss questions with appropriate Library staff.

5.4.5 Time Limits

Patrons using Library computers are permitted a minimum session of 60 minutes per person per day. Sessions may be shortened if a patron is not in compliance with Library policies or if the session conflicts with the Library's hours of operation. If there are no waiting reservations, additional time may be granted in increments for a total use time of 240 minutes per person per day.

Reviewed and Approved, 9/18/2017

5.4.6 Internet Use

The internet is an unregulated medium connecting people and information sources from around the world. The Library does not and cannot control the information content available through global resources such as information obtained from outside sources via the internet. Internet resources enhance and supplement resources that are available locally within the Library. Library patrons must be aware that this Library does not exercise control over information obtained via the internet and must keep in mind the following points when evaluating information obtained via the internet:

- Information may or may not be reliable or from a reliable source.
- Information may or may not be accurate.
- Information may or may not be current and up to date.
- The Library is a family-friendly establishment. Patrons are to reflect and respect this role of the Library in the content viewed through the Library's internet connection and/or on Library computers. Certain information may be considered controversial/ objectionable by some Library patrons. Some materials on the internet are considered obscene and/or harmful to minors.
- Links to information on the internet may not always be valid, and particular information sites on the internet may sometimes be unavailable and this unavailability often occurs unpredictably.
- The availability of information on the internet does not constitute endorsement of the content by the Library.

In compliance with the federal Children's Internet Protection Act (CIPA), the Library has installed internet filters on children's public use computers. Individuals over the age of 18 may ask staff to remove the filters on their computer. Library staff cannot remove filters for persons under 18 not under constant adult supervision and/or without written consent from the person's parent or guardian. While filters attempt to block objectionable sites, no filtering system is completely effective or efficient. The Library affirms and acknowledges the rights and responsibilities of parents and guardians to monitor and determine their children's access to Library materials and resources, including those available through the internet. Parents are encouraged to discuss with their children issues of appropriate use and electronic information network safety. If a site appears to be inaccurately blocked, please inform staff at the desk. The Library reserves the right to ask for proof of age from any persons requesting that a filter be turned off.

The Library offers wireless internet access for public use. The Library's wireless access points are not filtered. There may be times when patrons may not be able to access a given site on the internet due to circumstances beyond the control of the Library.

The Library urges patrons to be informed consumers and carefully evaluate information obtained via the internet. Library staff may be available to assist patrons in making judgments about the reliability or currency of certain types of Internet information sources, but are unable to provide definitive analysis of particular sources due to the extremely large variety and volume of information available via the internet.

The Library is not responsible for damages or losses, indirect or direct, arising from a patron's use of internet information resources.

5.5.1 Homebound Service

Purpose and Definition

The Mississippi Valley Library District (hereafter “Library”) provides free homebound service as a courtesy for eligible individuals. The service provides coordinated delivery and pick-up of Library materials at the patron’s residence on a regular basis. “Homebound” is defined as being confined to one’s residence either temporarily due to illness or accident, or permanently due to disability, age, or other mobility issues. The service is open to all ages.

Eligibility

Eligible individuals:

- Reside in the Library’s service area
- Have a Library card in good standing
- Meet the definition of “Homebound” as described above
- Do not have anyone else in the household who is capable of retrieving and/or returning Library materials at Library facilities on the individual’s behalf

Enrollment, Participation, and Suspension/Discontinuation

Interested individuals must complete the Library’s Homebound Application. Library staff will contact the individual to verify the application’s information and determine if and/or when services will commence. Library staff will regularly contact homebound participants to assist with selecting new materials, extending loan periods if needed, and confirming availability for the next scheduled delivery/pick-up. It is the homebound participant’s responsibility to notify the Library if their contact information or residence has changed either temporarily or permanently.

Individuals receiving homebound service must protect all Library items in their custody and must provide a safe and appropriate environment for Library staff who make deliveries. Library materials will only be delivered directly to the homebound individual or to a staff member of a care facility at which the homebound individual currently resides. Library staff will not leave materials unattended or unclaimed during delivery/pick-up. If no one is available to meet Library staff during delivery/pick-up, the individual’s items will be returned to the Library.

Homebound service participants are subject to all Library policies, including those set forth for borrowing materials. The Library retains the right to suspend or discontinue participation in homebound service as determined by factors including but not limited to: poor condition of materials upon their return; inappropriate behavior; unsafe or unsanitary property conditions; changes in the individual’s health or circumstances that impact their eligibility; and inability to contact the participant for an extended period.

Individuals whose homebound service has been suspended or discontinued will be notified in writing by the Library. The reason for the suspension or discontinuation will be provided. Depending on the nature of the suspension or discontinuation, the individual will be provided a period of time during which to take corrective action. At the end of that period, Library staff will evaluate whether the individual is eligible to receive homebound service again.

6.5 POLICY PROHIBITING SEXUAL HARASSMENT

6.5.1 PROHIBITION ON SEXUAL HARASSMENT

It is unlawful to harass a person because of that person's sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of the Mississippi Valley Library District (hereafter "Library") to prohibit harassment of any person by any administrator or employee of the Library on the basis of sex or gender. All administrators and employees of the Library are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

6.5.2 DEFINITION OF SEXUAL HARASSMENT

This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Conduct which may constitute sexual harassment includes:

- Verbal: sexual innuendos, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside of their presence, of a sexual nature.
- Non-verbal: suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- Visual: posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- Physical: touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- Textual/Electronic: "sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

The most severe and overt forms of sexual harassment are easier to determine. On the other end of the spectrum, some sexual harassment is more subtle and depends, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

6.5.3 PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARASSMENT

An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment should deal with the incident(s) as directly and firmly as possible by clearly communicating her/his position to the offending employee, and her/his immediate supervisor. It is not necessary for sexual harassment to be directed at the person making the report.

Any employee may report conduct which is believed to be sexual harassment, including the following:

- *Electronic/Direct Communication.* If there is sexual harassing behavior in the workplace, the harassed employee should directly and clearly express her/his objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note, a memo, or an email.
- *Contact with Supervisory Personnel.* At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to a Center Manager, or the Executive Director.

The employee experiencing what he or she believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible administrator, the Library will not be presumed to have knowledge of the harassment.

- *Resolution Outside Municipality.* The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the Library. However, all Library employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within 180 days of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must be filed within 300 days.

Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the place), including, but not limited to, written records such as letters, notes, memos, emails and telephone messages.

All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the Library. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

6.5.4 PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT ALLEGATIONS

No administrator or employee of the Library shall take any retaliatory action against any Library employee due to a Library employee's:

1. Disclosure or threatened disclosure of any violation of this policy,
2. The provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy, or
3. Assistance or participation in a proceeding to enforce the provisions of this policy.

For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any Library employee that is taken in retaliation for a Library employee's involvement in protected activity pursuant to this policy.

No individual making a report will be retaliated against even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation.

Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (5 ILCS 430/15-10) provides whistleblower protection from retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

1. Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, State agency, or other State employee that the State employee reasonably believes is in violation of a law, rule, or regulation,
2. Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, State agency or other State employee, or
3. Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act.

Pursuant to the Whistleblower Act (740 ILCS 174/15(a)), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. (740 ILCS 174/15(b)).

According to the Illinois Human Rights Act (775 ILCS 5/6-101), it is a civil rights violation for a person, or for two or more people to conspire, to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act.

An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge – due within 180 days (IDHR) or 300 days (EEOC) of the alleged retaliation.

6.5.5 CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL HARASSMENT

In addition to any and all other discipline that may be applicable pursuant to Library policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this policy or the Prohibition on Sexual Harassment contained in 5 ILCS 430/5-65, may be subject to a fine of up to \$5,000 per offense, applicable discipline or discharge by the Library and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the Library shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

6.5.6 CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT

A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable Library policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements.

In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the State Police, a State's Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to \$5,000 against any person who intentionally makes a false, frivolous or bad faith allegation.

7.2.3 PROBATIONARY PERIOD

The first three months of employment will be considered a probationary period during which time the individual is trained and evaluated for effective job performance. This period allows the Library to determine the employee's suitability for the position and for continued employment by the Library. It also allows employees an opportunity to decide if they are satisfied with the position and the Library as an employer. A written evaluation will be done after three months. More frequent evaluations will be done when deemed necessary. Employment may be terminated at any time during this period if the employee is unable or fails to perform the duties required by the position.

7.2.4 AT WILL EMPLOYMENT

It is the policy of the Library that all employment is on an 'at will' basis which allows the employment to be terminated at any time by either the employee or the Library 'at will' with or without cause. Nothing in this policy shall be held to convey to any employee a promise or offer of any type of right to continued employment. This is not an employment contract.

A full-time work day is eight hours, with a paid one-hour lunch break. Full-time staff split shifts are scheduled as four hours. Employees must report to work promptly as scheduled. Staff unable to report to work because of illness or emergency should notify the scheduled supervisor no later than one hour prior to scheduled work time. 7.7 GRIEVANCE POLICY

The Board of Trustees realizes that employee problems and concerns arise from time to time. Usually, these concerns can be resolved through informal and open discussion on a day-to-day basis. Employees are encouraged to reach satisfactory solutions to these concerns by regular and open communication.

7.7.1 DEFINITION

A grievance is any difference arising between the employer and an employee in interpretation or application of Library policy or condition of employment which directly affects the employee in the performance of his or her duties.

7.7.2 PURPOSE AND SCOPE

The Library's philosophy is that all employees should have free and immediate access to management to raise any type of work-related concerns. Employees are encouraged to raise work-related concerns with their immediate supervisor as soon as possible after an event that may cause an employee to be concerned. Alternatively, if an employee believes that their immediate supervisor is not the appropriate person with whom to raise such matters, the employee is encouraged to bring their concerns to the attention of any other supervisor or any member of management.

Employees are further encouraged to pursue discussion of their work-related concerns with the management official under the Grievance/Complaint Procedure until their concerns are fully

resolved. The Library cannot guarantee that in each instance the employee will be satisfied with the result, but in each case an attempt will be made to explain the resolution of the matter to the employee, even when it is not the result that the employee sought. The Library believes that such concerns are best addressed through informal and open communication. No employee will be disciplined or otherwise penalized for raising a good-faith concern.

The Library will attempt to keep confidential all such expressions of concern, their investigation, and the terms of their resolution. At the same time however, some dissemination of information to others may be appropriate and necessary during the process of investigating and resolving the employee's concerns.

7.8.2 SICK LEAVE

Full Time Employees:

Each full-time employee will be granted four hours of paid sick leave per pay period. Unused sick leave can be accumulated to a maximum of 240 working hours.

Employees are paid for 50% of accumulated sick leave hours over 240 working hours following the beginning of each fiscal year.

Sick leave may be used for personal physical or mental illness, the care of a family member, medical diagnosis, treatment, or preventative care. This includes doctor, dentist, and eye doctor appointments. Eligible family members are defined as a child (biological, adopted, stepchild, or legal ward), spouse, sibling, parent, mother- or father-in-law, grandchild, grandparent, or stepparent.

After three consecutive days of sick leave, a doctor's statement will be required. Suspected abuse of sick leave may result in the requirement of a doctor's statement.

Upon retirement, the employee may choose to be paid 50% of accrued sick leave or choose to convert the unused, unpaid sick leave into retirement service credit. The Illinois Pension Code (ILCS 7/5-139(a)8) allows retiring members to convert unused, unpaid sick leave to service credit. A member can convert up to 240 days; he or she receives one month of service credit for every 20 days (or fraction thereof) of unused, unpaid sick leave up to a maximum of one year of pension credit. For example, if a member has 20 days of sick leave, he or she can receive one month of service credit; if he or she has 21 days of sick leave, two months of service credit, etc. 50% of sick leave will be paid to a beneficiary upon the death of the employee. Voluntary resignations and involuntary terminations do not qualify for sick leave payout.

Part Time Employees:

Part-time employees do not earn paid sick leave. After three consecutive days of unpaid sick leave, a doctor's statement will be required. Suspected abuse of sick leave may result in the requirement of a doctor's statement.

Family and medical leave will be granted when a full-time employee or immediate family member becomes seriously ill or disabled or when a new child is in the home. To be eligible for family and medical leave, an employee must be full-time and have 12 months of continuous service with the Library. Employees who do not meet these requirements are not entitled to leave under this policy. An eligible employee may request up to 12 work weeks of this category of leave during any 12 month period.

Child/Family Care Leave

This leave is granted to care for a child after birth, adoption, or placement in the employee's home for foster care or to care for a covered family member with a serious health condition. Eligible family members are defined as a child (biological, adopted, stepchild, or legal ward), spouse, sibling, parent, mother- or father-in-law, grandchild, grandparent, or stepparent.

If the leave is planned in advance, employees must provide the Library with at least 30 days notice prior to the anticipated leave, in writing to the Executive Director. If the leave is unexpected, employees should notify the Executive Director immediately and put the request in writing as soon as possible.

The employee will be required to use all unused sick, vacation, and personal days during the leave period. Once such benefits are exhausted, the balance of the leave will be without pay. Sick leave will cease to accrue during the leave period.

All group health benefits will continue during the leave provided employees continue any payments they regularly make to the plan. Other benefits (such as pension) will be governed by the terms of the plan.

Employees requesting leave to care for a family member may be required to provide medical certification from the family member's physician describing the nature of the illness and probable length of time treatment will be required.

Employee's Serious Health Condition

If the leave is planned in advance, employees must provide the Library with at least 30 days notice prior to the anticipated leave, in writing to the Executive Director. If the leave is unexpected, employees should notify the Executive Director immediately and put the request in writing as soon as possible.

The employee will be required to use all unused sick, vacation and personal days during the leave period. Once such benefits are exhausted, the balance of the leave will be without pay. Sick leave will cease to accrue during the leave period.

All group health benefits will continue during the leave provided employees continue any payments they regularly make to the plan. Other benefits (such as pension) will be governed by the terms of the plan.

During this leave, employees may be required to provide the Library with additional physician's statements on request explaining their disability and inability to work. Before employees can return from medical leave, they must present a statement from their physician indicating that they are able to return to work and perform the functions of their position or indicate any limitations that have been placed upon them.

Reinstatement Rights

Eligible employees returning from leave are entitled to be reinstated to their former position or one equivalent in benefits, pay and other conditions of employment. Exceptions to this provision may apply if financial circumstances have changed and caused the position to be eliminated. Exceptions may also apply for certain highly compensated employees under certain conditions.

Leave for Employees Who Do Not Meet the Minimum Service Requirements

Employees who do not meet the employment requirements stated above may request leave with the same notification processes listed above. The certification requirements and conditions for required use of accrued time off, benefits accrual, and continuation of group health insurance during the leave will be the same as those indicated above. Unless applicable state or local law requires otherwise, reinstatement will not be guaranteed to any employee requesting leave under this section of this policy. The Library will attempt to place the employee returning from leave in their former position or a comparable one dependent upon the library's budget, the need to fill vacancies, and the library's ability to find a qualified temporary replacement.

7.8.5 VICTIMS' ECONOMIC SECURITY AND SAFETY ACT (VESSA)

The Library complies with the Victims' Economic Security and Safety Act (VESSA). Any part- or full-time employee who is a victim of domestic violence, or who has an immediate family member defined as a spouse, parent, child, or a person residing in the same household who is a victim of domestic violence, may take up to 12 work weeks during any 12 month period VESSA leave to:

- Seek medical attention for, or recovery from, physical or psychological injuries;
- Obtain victim services;

- Participate in safety planning, including temporary or permanent relocation or other actions to increase the safety of the victim from future domestic or sexual violence; or

- Seek legal assistance to ensure the health and safety of the victim, including participating in court proceedings related to the violence.

Upon return from VESSA leave, the employee shall be reinstated to their original job or a job of like status and pay. An employee requesting VESSA leave is required to give 48 hours' notice in the event of a foreseeable leave. In unexpected or unforeseeable situations, an employee should provide written notice at the earliest possible time. The employee may be required to submit a certification demonstrating the need for leave. The certification must be provided by the employee as soon as reasonably possible and within 15 days after leave is requested. Information of this nature and the request for leave is confidential. The Library will require the employee to report periodically on their status and intent to return to work.

VESSA leave will be counted on a 12-month period rolling forward from the date of the first day of VESSA leave. VESSA leave may be taken intermittently or on a reduced work schedule. If elected by the employee, VESSA leave will run concurrently with other eligible paid leaves of absence (for example, sick leave, paid vacation, personal day). When the employee's need for leave also qualifies as FMLA leave, or for long-time disability, these leaves will run concurrently. The Library will attempt to provide reasonable accommodations for VESSA, unless such accommodations would present undue hardship. Reasonable accommodation applies to applicants and employees and may include adjustment to a job structure, workplace facility, or work requirement. To request a reasonable accommodation, the employee should give a written request to the Executive Director at the earliest possible time.

9.2 BLOODBORNE PATHOGEN POLICY

While normal library operations are not likely to involve circumstances exposing employees or users to bloodborne pathogens, the Mississippi Valley Library District (hereafter "Library") complies with Illinois Department of Labor regulations and therefore the federal Occupational Safety and Health Administration regulations relating to occupational exposures to bloodborne pathogens which have been incorporated by administrative actions.

9.2.1 Exposure Determination

No particular job classification of the Library has occupational exposure (meaning "reasonably anticipated contact with blood or other potentially infectious materials that may result from the performance of an employee's duties"), however, emergencies may occur with staff or patrons to which library employees in all classifications may be called upon to respond with assistance. Additionally, emergencies with "out of control" individuals (e.g. biting, spitting, etc.) could present an individual threat.

9.2.2 Universal Precautions

All potential circumstances of exposure must be taken into account by the Library and its employees to protect against exposures. Hepatitis B (HBV), human immunodeficiency virus (HIV), and other bloodborne pathogens found in human blood and other body fluids cause life threatening diseases. In emergency or other such circumstances, when contact with blood or other potentially infectious materials may result, the Library's approach to infection control requires all human blood and body fluids to be treated as if known to be infectious for any bloodborne pathogen. Engineering and work practice controls shall be used to eliminate or minimize employee exposures, and if a possibility of exposure remains, personal protective equipment shall also be used.

9.2.3 Exposure Control Plan

At any time within the Library environment that human blood, human body fluids, or other potentially infectious materials are presented, the area contaminated shall be immediately cordoned off and quarantined, even if the entire Library must be closed to accomplish this completely. Personal protection clothing, such as gloves, masks, etc., shall be provided and used in the cleanup and safe disposal of contaminated waste such as diapers, blood-tinged materials (e.g. bandages, gauze, cotton, clothing, etc.). If advisable, a professional hazardous/contaminated cleanup firm shall be contacted and retained for complete cleanup and decontamination. The quarantine shall be effective until complete cleanup and disposal is obtained. Hand-washing facilities are provided by the Library and must be used by the employees as soon as feasible, including following the removal of personal protective equipment. A complete record of all incidents, exposures, cleanup, and disposals shall be kept as required by OSHA regulations.

9.3 INVESTMENT OF PUBLIC FUNDS

The purpose of this policy statement is to outline the responsibilities, general objectives, and specific guidelines for management of public funds by the Mississippi Valley Library District (hereafter "Library"). Its scope is all public funds of the Library.

9.3.1. Responsibilities

All investment policies and procedures of the Library will be in accordance with Illinois law. The authority of the Library Board of Trustees to control and invest public funds is defined in the Illinois Public Funds Investment Act and the investments permitted are described therein. Administration and execution of these policies are the responsibility of the Treasurer who is hereby designated as the Chief Investment Officer (CIO) of the Library acting under the authority of the Library Board of Trustees.

9.3.2 Delegation of Authority

Management and administrative responsibility for the investment program is hereby delegated to the CIO. The CIO and by designation, the Executive Director, are responsible for establishing internal controls and written procedures for the operation of the investment program.

9.3.3 "Prudent Person" Standard

Library investment activities shall use a "prudent person" standard of care. This standard shall be applied in the context of managing an overall portfolio and specifies that investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital, as well as the probable income to be derived. Investment officers, acting in accordance with this policy and the written procedures of the Library, and exercising due diligence, shall be relieved of personal responsibility for a security's credit risk or market price/value changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

9.3.4 Objectives

In selecting financial institutions and investment instruments to be used, the following general objectives should be considered in the priority listed:

- Legality (conforming with all legal requirements)
- Safety (preserving capital and including diversification appropriate to the nature and amount of the funds)
- Liquidity (maintaining sufficient liquidity to meet current obligations and those reasonably to be anticipated)
- Yield (attaining a market rate of return on investments)
- Simplicity of management

9.3.5 Guidelines

The following guidelines should be used to meet the general investment objectives:

- Legality and Safety:
 - Investments will be made only in securities guaranteed by the U.S. Government, or in FDIC insured institutions including SAIF of the FDIC. Deposit accounts in banks or savings and loan institutions will not exceed the amount insured by FDIC coverage (unless adequately collateralized pursuant to Regulations of the Federal Reserve regarding custody and safekeeping of collateral).

- Authorized investments include and will primarily consist of Certificates of Deposit Treasury Bills and other securities guaranteed by the U.S. Government, participation in the State of Illinois Public Treasurer's Investment Pool, and any other investments allowed under State law that satisfy the investment objectives of the library district.
- Liquidity:
 - In general, investments should be managed to meet liquidity needs for the current month plus one month (based on forecasted needs) and any reasonably anticipated special needs.
- Yield/Return on Investment:
 - Within the constraints on Illinois law, considerations of safety, and this investment policy, every effort should be made to maximize return on investments made. All available funds will be placed in investments or kept in interest bearing deposit accounts.
- Simplicity of management:
 - The time required by library administrative staff to manage investments shall be kept to a minimum.

9.3.6 Reporting

Investments, fund balances and the status of such accounts will be reported at each regularly scheduled meeting of the Library Board of Trustees and at least quarterly include information regarding securities in the portfolio by class or type, book value, income earned, and market value as of the report date. At least annually, the CIO shall review this policy for any needed modifications and report to the Library Board on the investment portfolio, its effectiveness in meeting the Library's need for safety, liquidity, rate of return, diversification, and general performance.

9.3.7 Internal Controls

In addition to these guidelines, the CIO shall establish a system of internal controls designed to prevent loss, theft or misuse of funds.

9.3.8 Authorized Financial Dealers and Institutions

Any investment advisors, money managers, and financial institutions shall be considered and authorized only by the action of the Library Board of Trustees upon the recommendation of the CIO. The CIO will maintain a list of financial dealers and institutions authorized to provide investment services.

9.3.9 Conflicts of Interest

Officers and employees involved in the investment process shall refrain from personal business activities that might conflict with the proper execution and management of this investment program, or that could impair their ability to make impartial decisions, or that could give the appearance of impropriety.

8 FACILITIES

8.1 Acceptable Conduct

Patrons of the Mississippi Valley Library District (hereafter “Library”) are expected to conduct themselves in a manner that is not disruptive to others using the Library or to Library operations and does not cause damage or harm to Library patrons or materials/property. The safety and security of Library patrons, staff, and materials/property are the top priorities when determining compliance with acceptable conduct.

Although some conduct may be determined on a case-by-case basis, other acceptable conduct measures are expected from patrons at all times. These include:

- Complying with Library staff directives and all Library policies;
- Using respectful verbal and body language;
- Using the restrooms for their intended purposes only;
- Cleaning up after oneself, particularly regarding but not limited to food and beverage;
- Using furniture in its intended manner and in its designated location (staff must approve requests to move furniture);
- Keeping weapons off of Library property except for law enforcement (430 ILCS 66/);
- Smoking, vaping, or using tobacco products at least 15 feet from Library entrances;
- Abstaining from possessing or using alcohol or illegal substances;
- Wearing shoes and clothing that covers what are widely considered to be “private parts” (swimwear and underwear must be covered by other clothing);
- Speaking at a reasonable volume;
- Listening to audio with headphones or earbuds;
- Keeping personal belongings with oneself;
- Supervising children according to the Children in the Library policy;
- Storing bicycles and scooters outside at the bike rack (patrons are responsible for securing their items);
- Using sports equipment, hoverboards, and skateboards outside only and in a manner that does not cause damage to Library property;
- Receiving permission from one of the Library’s Center Managers or the Executive Director to take photos or audiovisual recordings of Library staff, patrons, or property;
- Using care with Library materials and property so as to prevent damage;
- Abstaining from any behaviors that are deemed illegal by local, state, or federal laws.

8.1.1 Children in the Library

Parents, guardians, and/or responsible caregivers are responsible for the behavior of their children while they are in the Library. The Library staff is committed to help children with activities related to the Library; however, Library staff cannot, nor is it their responsibility to, serve in loco parentis. Violations of this policy are grounds for suspension of Library privileges. Whenever advisable, the Library will notify the parent or guardian of incidents involving an unattended child.

Children under the age of ten (10) must be accompanied and supervised at all times by a parent, guardian, or other responsible caregiver.

Children ages ten (10) and older may use the Library unattended by a parent, guardian, or other responsible caregiver, subject to other Library policies.

When the safety of an unattended child is in doubt, or the parent, guardian, or responsible caregiver cannot be located, or if the Library is closing, Library staff are authorized to call the police and stay with the child until the police arrive. In the event that a child is at the Library ten (10) minutes after the Library closes to the public, the police will be called to pick up the child. Attempts will be made during that time to reach parents, guardians, or another responsible caregiver, but in no instance will Library staff take a child home.

From time to time the Library schedules or provides programs that are designed and suitable for attendance by children without direct supervision. Program announcements will indicate whether or not such supervision is required. When direct supervision is not required, the parent, guardian, or responsible caregiver must remain easily accessible in the Library.

Parents, guardians, and responsible caregivers are responsible for monitoring children's use of Library materials and resources, as Library staff is not responsible for restricting children's access.

8.1.2 Consequences for Conduct Noncompliance

Any person who does not comply with the Library's Acceptable Conduct policy will be given the opportunity to come into compliance, provided that immediate intervention for safety and security is not needed. Continued noncompliance may result in the person being removed from Library property for a length of time proportional to the nature of the noncompliance. Individuals who have been officially placed on trespass notice from the Library may petition the Executive Director at the end of that period to have their case reviewed and a determination made as to whether the person is welcome to return, with or without stipulations. The Library reserves the right to press charges against anyone who commits criminal acts toward staff, patrons, or Library materials/property.

75 ILCS 16/30-55.55 permits the Library's Board of Trustees to "exclude from the use of the library any person who willfully violates an ordinance or regulation prescribed by the board." On February 4, 1998 the Board of Trustees passed a resolution stating:

[T]he Library Director or such authorized designee in his or her absence shall be and is hereby authorized to promptly remove any person or persons from the Library premises who disrupts the peaceful use thereof, or the use and enjoyment thereof by its patrons or otherwise interferes with the operations of said Library, and is additionally authorized to request the assistance of the proper authorities when in his or her best judgment is required in keeping with the tenor of this Resolution."
